### CRITIQUE

**Pomeranian Post Grad**, 5- 1<sup>st</sup> Blacks, Zaandam Thunder of Taurus, this exhibit was very compact, short coupled and well knit in frame, he was very dainty, its head and nose are foxy in outline, slightly oval in eye of medium size, ears carried erectly, scissor bite, delightful frill, neck well set into shoulder, his front is straight, he is well ribbed and fairly deep in chest, his hindquarters are fine boned and medium in angulation, his tail set is high and carried over the back, the tail is well fanned coated, he is a free. Brisk moving exhibit, his coat was straight and harsh, he was immaculately presented and handled, delighted to watch him win the group and then RBIS. 2<sup>nd</sup> Mathieson's Alexiadream is my Frankin for Pomandenmore, this exhibit was beautifully put down, it had similar attributes to the first , he was just not as positive in movement hence his placing.

**Open 4-1<sup>st</sup>** Mathieson's Alexiadream Alexiamillion. This dog was dainty, had good head properties, medium sizes oval eyes, tidy ears, good dentition, I liked his overall construction, size and temperament, he moved out briskly and buoyantly, his coat had depth and was of good outer harsh texture, he had a good rapport with his handler. 2<sup>nd</sup> Blacks, Zaandam Russian Apprentice, another pleasing exhibit from this exhibitor, this bitch oozes femininity, loved her size, make and shape, she just needs to settle to show her quality. 3<sup>rd</sup> Mathieson's Alexiadream is my Destiny for Pomandenmore.

**Beagles Post Grad**, 2 1 Abs), 1<sup>ST</sup> Carvaha Fire N Ice, this tri bitch had a head of fair length, skull slightly domed, stop well defined, head ratios pleasing, muzzle cushioned, dark eyed, round tipped ears, scissor dentition, neck of sufficient length, well assembled fore and rear quarters if a little fine in bone, topline straight and level, high set tail, moved positively, was well handled.

**Open2** ( 1 Abs), 1<sup>st</sup> Mathews, Carvaha Sabatini, this t/w bitch was neater in shape than the post grad winner, she is cleanly marked, has a good outline shape, is well off for bone, overall sturdily built, she due to her make and shape was able to cover the ground with ease, she was well handled and presented, just edged BOB on her neater compact shape and being a tad better boned.
