

Turriff District Agricultural Association Open Show

30.07.2023

Judge Miss S Porter "Shearstone"

I had a brilliant time and was made to feel most welcome, you can't beat a dry day out at an Agricultural Show that has a Dog Show attached. Thanks to my two efficient Stewards who kept the ring moving. The ring was large, level and the grass was short, a real credit to the Society, some Championship Shows would be green with envy. I thoroughly enjoyed doing the whole group apart from the Golden Retrievers and was delighted with the quality that I had.

Flat Coated Retriever Open 6 2a

1st Riach Aricdell Kraienkoppe - Youngest in the class and she was raw but had some lovely qualities about her, very clean, lovely angles front and back without exaggeration, standing true front and back on nice feet. Well-proportioned head that was feminine. She moved around the ring with ease, showing the racy lines that you expect. BOB

2nd Macpherson Rachanmill Colombo - A mature boy that had a lovely outline, and moved well, just preferred the head of my winner I was really splitting hairs in this class.

3rd Williamson Hoedun Joy Ride To Sandti

1st Munro Hernwood Northern Adonis Of Dulmaur - This boy wasn't giving his owner the easiest of times, he did his best to throw it away but I couldn't look past him. He had a lovely head masculine but without any sign of coarseness. Good reach of neck lovely front angles elbows close to body deep through the chest. Gentle turn of stifle. Moved true.

I also placed him 4th in the stunning Veteran class at the end of the day. BOB

German Wirehaired Pointer Open 2

1st Chrystie Bareve Best Done Now A young dog with plenty of substance to him, when he was stacked up he presented a lovely shape, tended to be a loose cannon on the move, needs to get his act together then he will blossom into a real head turner. Not in the best of jackets today. BOB

2nd Dervish-Uman Caeneus Coronus At Todlachie Complete polar opposite to the boy in type, smaller bitch with a lovely head with masses of coat on her, moved out well.
