Hungarian Pumi Open (1) 1st & BOB Smith's B Breezelyn Ear Say. Correctly balanced head with dark eye and good ear carriage. Short firm back. Moved Well.

Rough Collie Grad 3 (1) 1st Shorten's Thistlewings Andromeda At Bracoisla. Upstanding two year old sable and white showy male of correct size and type. Good length of head. Strong bone. Good hard feet. Shown in good body and excellent coat. Moved soundly and showed his ears to advantage when standing in show pose. 2nd Milne's Stregato My Highland Dancer. Year old tricolour male - again of correct classic type. Good intense black with attractive tan and white markings. Soundly put together with good bone and substance. Living up to his name he was a bit unsettled on the day which was just due to youthful exuberance.

Rough Collie Post Grad 5(1) 1st Thistlewings Andromeda At Bracoisla. 2nd Crawford's sable and white Stregato Foolish Guy. Yet another upstanding classic type male Collie. Well up to size with correct length of body Good dentition and long balanced head with nice dark eye. Excellent length of tail reaching past his hock joint. Moved soundly but just a little unsettled both on the move and when standing. 3rd Haslam-Craib's sable & white B Roughrigg Ragga.

Rough Collie Open 6(2) 1st BOB and Working Group 1. Swinton Raven's four year old Blue Merle D Corydon Ice Imperial. A handsome male again of correct classic collie type with excellent head which had a well filled muzzle correct set, size and shape of eye and the slight but perceptible stop the standard asks for at the centre point of balance of length of head. Good reach of neck, correct length of body to height and in great coat and condition. Nicely broken blue coat of correct blue colour - so important in a merle. Moved soundly and stood and showed perfectly non stop. This was certainly his day. 2nd Brodie's sable and white Shannaburn Country Road. At almost three years old he is a mature male shown in excellent coat and condition. A different type of collie from the winner as he is somewhat shorter in both head and body with a deeper stop but still quite striking and not to be ignored. Well presented and handled by his two handlers he moved very soundly and showed well on the day. But today he was eclipsed by a dog who stood above him and went on to win the group. So there should be no disgrace in standing second to the class winner. 3rd Stregato Foolish Guy

Bearded Collie Post Grad 2 (0) 1st Ryan's Dychix Invictus For Razkal. Mature four year old male. Good head Correct bite. Well made and shown in good body and coat. Moved Soundly. 2nd Savage's Strufingill Penny Benjamin at Canaich. 6 month old attractive and promising puppy bitch who has everything there. Shetland Sheepdog Grad 7(2) 1st BOB & PG4 Main's B Shenachie Lyric Fantasy. Attractive S/W Yearling B with excellent eye giving such a sweet expression. Soundly constructed Shown in good body coat and condition. Moved and showed well. 2nd Main and Simpson's D Shenachie Secretariat. Litter brother to the winner and very similar but obviously more masculine otherwise same comments apply. Just not quite the overall panache of his sister on the day but gave her a close run. 3rd Saunders' B Leterikhills River Star Over Torriglen

Shetland Sheepdog Post Grad 4(1) 1st Saunders D Galateus Bohemia Classic at Torriglen (Imp CZE). Mature male shown in good body coat and condition. Moved soundly and showed well. Profuse coat Sound mover but had to give way to youth in the BOB challenge. 2nd Forbes' Wellneuk Dancing Flame JW SHCM. A nice 8 year old sable and white bitch again with all the correct head eye and ear properties of winner so gave her a close run. But in the end I was seduced by the winners more profuse coat. 3rd Main's B Shenachie Flakey Dove.

Border Collie Graduate 2(0) 1st Rettie's Glenfound Future Hope Handsome young black and white male puppy with nice coat markings. Soundly constructed Good length of tail. Samoyed Post Grad 5(3) 1st & BOB Gregor & McWilliam's Istramac Shining Illuka. Attractive lively male with great friendly temperament. Good head and expression Shown in good body feet and legs. 2nd Gregor & McWilliam's B Istramac Toories Lass. Litter sister to winner and of similar type and quality with good pigment. But as is often the case in mixed classes the dog takes the upper hand being generally bigger and that bit showier. 3rd Scott-May's MPB Croftdouglass Dileas Anam.

Good mouth with correct scissor bite. Well filled muzzle with slight but perceptible stop and flat back skull. Good reach of neck and strong level back with correct tail carriage. Excellent front and rear angulation with good hard feet. Still very much a baby with a bit of maturing to do just as one should expect in this breed at that age. Sound and confident movement. Stood and showed well.

AV Past NSC Open 1(0) 1st Best Past AVNSC and Past Group 3. Rennie's Smooth Collie Diamondfox Sir Galahad (Imp Fin). Mature handsome two year old male in hard muscular condition. It is rare to see this 'numerically at risk' breed exhibited in Scotland, and it also seems to me that most UK smooth exhibits - unlike their rough coated counterparts - are not sables, so all the more surprising to find two such high quality specimens here today. He has all the right points. Good head and eye. Good depth of chest. Correct reach of neck. Good length of tail. Nice bend of stifle and shown in good hard condition. Moved with drive as expected from his construction and stood and showed well.

WORKING GROUP

St Bernard Open 2(1) 1st & BOB Jenkins St Bernard D Chandlimore Right Said Fred. Nicely marked male puppy with superb temperament. Just needs time to fully develop and settle in his construction and movement - as one might reasonably expect with a young puppy of this breed. Well handled and shown.

Moved soundly and showed well. 2nd Bunton's D Siettor Look Of Love Another nice specimen of the breed. Similar in type to winner and with plenty of animation but just lacked winners overall size and was a bit less settled on the day. 3rd Bunton's D Siettor Moment In Time.

Hovawort Post Grad 3(2) 1st & BOS Wolfe's Fasskoleys Cadmium Scarlett IKC. Nine year old B in good coat and condition that belies her years Soundly constructed. Plenty of animation. A happy showgirl who moved soundly and stood and showed well

Hovawort Open 3(1) 1st & BOB Tyerman & Challoner's Farmwatch Snow Shadow. Mature five year strongly made old male. Well up to size. Soundly constructed and moved soundly enough if just the very slightest tad unsettled - though this I forgave him. 2nd Wolfe's Ozzy Aldeon with Tussakariver. (Imp Svk) A four year old male of slightly smaller proportions than winner - but whose problem on the day was that he was over excited and unsettled jumping about on the move - so had to pay the penalty for his high spirits on the day.

AV Working NSC Post Grad 6(0) A well filled strong class. 1st Badowski's Russian Black Terrier bitch Julietta Niger Venustas (Imp Pol). Just a few weeks short of her second birthday. AV Working Minor Puppy 2(1) 1st Chandlimore Right Said Fred At Islamorada

AV Working Veteran 7(5) 1st Gutjahr's Hovawort Zwartbos Arreton. Astonishingly youthful thirteen year old Blonde bitch who certainly belied her years. Despite her long wait for her class she was still alert and sprightly. A good all round specimen shown in good coat and condition who showed well and moved smartly and soundly. 2nd Wolfe's Hovawort bitch Zwartbos Ventor. Litter sister to the above and colour apart very similar though just not quite as smart on the move as her sister. But sound just the same and no disgrace to her at that age.

AV Working Open 5(3) 1st Geenawell Lorenzo 2nd Method Man 3rd Tib Mastiff Wangdak Farrah.

Crawford Taylor (Judge)
