Welcome to the 161st Turriff Show!

On behalf of the Turriff District Agricultural Association (TDAA), it is with great pleasure that I extend a warm welcome to all livestock exhibitors participating in the 161st Turriff Show, taking place on Sunday 3rd and Monday 4th August 2025. It is truly a privilege to host such a fantastic range of exhibitors and top-quality livestock at what promises to be another exciting event.

As Scotland's largest two-day agricultural show, Turriff Show has become a cornerstone of agricultural life in the North East, drawing over 24,000 visitors each year. It continues to be the region's most important event, connecting farmers, producers, and the community in a celebration of agriculture, rural life, and Scottish heritage. We are proud to offer over 340 trophies and £88,000 in prize money across 1,554 classes, ranging from livestock and equine competitions to vintage vehicles, homegrown vegetables, crafts, and home baking.

This year's event will feature over 300 indoor and outdoor trade stands, alongside the ever-popular EQ Food & Drink Marquee, showcasing the very best of the region's food and drink. We are also excited to present expanded Shopping Mall, Arts and Crafts, and Exhibition areas, designed to enhance your Turriff Show experience.

If this is your first time exhibiting at Turriff Show, we hope you find it to be a rewarding and thrilling experience. Our dedicated Office Team, Show Convenors, and Stewards are here to assist you throughout the process, ensuring a smooth and enjoyable experience from start to finish. We are especially delighted to welcome The Limousin Grand Prix to this year's show, and we acknowledge the hard work and commitment of all exhibitors. TDAA takes great pride in offering competitive prize money for all classes in recognition of your efforts.

We are incredibly grateful for the ongoing support from a wide range of sponsors and donors, whose generosity helps to make this event possible. Special thanks to this year's main sponsor, Balmaud Distillery, and to the Strachan family, who have been fantastic supporters of the show for many years.

If attending only one Show within any one 13-day period the animal will not require to be held separate on return from the Show nor will the

return home trigger a 13-day standstill for any other animal on the home farm. Also animals may move from Show to Show or may return to their usual premise of residence without triggering a 13-day standstill provided they are kept in separate facilities under an approved separation agreement with the Scottish Government Rural Directorate.

5. The transit of Animals (Cleansing and Disinfection) (Scotland) Regulations 2005 applies to vehicles taking animals to and from the Show. Please ensure that all vehicles, including hauliers' transportation are thoroughly clean.

The need to individually record tag numbers on the Movement Document has been removed. Do not surrender the document to show organisers.
4. The Movement Document should be available for inspection by Scottish Government Rural Directorate/Local Authority staff upon request. If you are unsure of the action required, please contact your local area office or SAMU (Tel: 0845 601 7597).

HATS

43. Correctly secured Skull Caps/Riding Hats Nos. PAS015 2011, VG1, (BS) EN1384 2023, ASTM F1163 2015 and 2023, SNELL E2016 and E2021 onwards, AS/NZS 3838 2006 onwards, MUST be worn by riders at all times when mounted. Hats should have a plain cover, either Black, Navy Blue, Brown, Grey or Green. Velvet covers are encouraged. The B.S.P.S. encourages members to have their hats tagged through the B.S.P.S. scheme or via the Pony Club Scheme. Tagging indicates the hat meets the accepted standards, no check of the fit or condition of the hat is implied. It is considered to be the responsibility of the members/guardians to ensure the hat complies with current standards and is tagged before they compete. Members/guardians are responsible for ensuring the manufacturer's guidelines with regard to fit and replacement are followed.

BODY PROTECTORS

50. Body Protectors MUST be worn when jumping in any WHP and WH classes, Including practice rings at B.S.P.S. affiliated shows. (Including Tiny Tots, Cradle and Nursery Stakes, WSP, LRWSP and Training Stakes). Riders must wear a body protector when working in (practice jumps) and the jumping phase in all B.S.P.S. organised and affiliated events. A British Equestrian Trade Association (BETA) approved and appropriately labelled "Level 3 body protector" 2018 (Blue) shown on the label. BETA recommends body protectors are replaced at least every three to five years, after which the impact absorption properties of the foam may have started to decline.

Air Jackets may be worn. If a member chooses to wear an air jacket they are allowed in addition to a normal body protector, which meets BETA 2018 level 3 standard. Air jackets must not be worn under any jacket or body protector and numbers must be fitted with elasticated fastenings.

When an air jacket inflates the sudden noise can startle horses, thereby, causing difficulties for other members if used in confined areas, eg, indoor schools and ménage's. Therefore, air jackets are not encouraged to be used in those areas except for medical reasons.

No **SPURS** and please read the **BSPS Rule 52** on the appropriate use of a **WHIP**.

Keeping horses fit and active in their later years is highly beneficial for all-round health and well-being. A veteran horse's diet must reflect their energy requirements for maintaining weight and providing fuel for work, whether that be light hacking or competing regularly. Veteran Light is ideal for those that are prone to laminitis or hold their weight well. Veteran Vitality provides extra calories for those that need more energy or struggle to maintain their weight.
