MAIN SPONSOR

WELCOME

Firstly, welcome to our 162nd Livestock Schedule. My name is Debbie Mackie, and I am delighted to be guiding you through the 2026 show as the new Show Co-ordinator. It is a privilege to be part of the show, continuing our valued traditions while also embracing new ideas.

The Turriff District Agricultural Association is much more than a two-day show; it is a celebration of hard work and commitment—not only from those of us behind the scenes and on the committee, but also from you, our exhibitors.

As an Association, we are proud and honoured to offer a fantastic 370 trophies and over £85,000 in prize money. Whether it's your Champion Calf, Grand Goat or Tremendous Tup, we want to see them all.

This year, we are embracing change and are excited to be working with Showing Scene, a fantastic platform ready to accept your online entries (postal entries are, of course, still welcome). If you are a new exhibitor, we are here to help and want to ensure your experience is as simple and enjoyable as possible. With our dedicated Livestock & Schedule Administrator, Joanne, you will be in great hands for any entry enquiries. On the day, we also have convenors and attending members across the showground, all ready to guide and support you.

I would like to take this opportunity to sincerely thank our committee, community and sponsors, whose continued support and dedication are at the heart of our show's success. On behalf of the Turriff District Agricultural Association, I would like to extend our heartfelt thanks to our main sponsor for 2026—Duncan Farms.

If attending only one Show within any one 13-day period, the animal will not require to be held separate on return from the Show nor will the return home trigger a 13-day standstill for any other animal on the home farm. Animals may move from Show to Show or may return to their usual premise of residence without triggering a 13-day standstill

- provided they are kept in separate facilities under an approved separation agreement with the Scottish Government Rural Directorate.

HATS

43. Correctly secured Skull Caps/Riding Hats Nos. PAS015 2011, VG1, (BS) EN1384 2023, ASTM F1163 2015 and 2023, SNELL E2016 and E2021 onwards, AS/NZS 3838 2006 onwards, MUST be worn by riders at all times when mounted. Hats should have a plain cover, either Black, Navy Blue, Brown, Grey or Green. Velvet covers are encouraged. The B.S.P.S. encourages members to have their hats tagged through the B.S.P.S. scheme or via the Pony Club Scheme. Tagging indicates the hat meets the accepted standards, no check of the fit or condition of the hat is implied. It is considered to be the responsibility of the members/guardians to ensure the hat complies with current standards and is tagged before they compete. Members/guardians are responsible for ensuring the manufacturer's guidelines with regard to fit and replacement are followed.

BODY PROTECTORS

50. Body Protectors MUST be worn when jumping in any WHP and WH classes, Including practice rings at B.S.P.S. affiliated shows. (Including Tiny Tots, Cradle and Nursery Stakes, WSP, LRWSP and Training Stakes). Riders must wear a body protector when working in (practice jumps) and the jumping phase in all B.S.P.S. organised and affiliated events. A British Equestrian Trade Association (BETA) approved and appropriately labelled "Level 3 body protector" 2018 (Blue) shown on the label. BETA recommends body protectors are replaced at least every three to five years, after which the impact absorption properties of the foam may have started to decline.

Air Jackets may be worn. If a member chooses to wear an air jacket they are allowed in addition to a normal body protector, which meets BETA 2018 level 3 standard. Air jackets must not be worn under any jacket or body protector, and numbers must be fitted with elasticated fastenings.

When an air jacket inflates the sudden noise can startle horses, thereby causing difficulties for other members if used in confined areas, e.g., indoor schools and ménages. Therefore, air jackets are not encouraged to be used in those areas except for medical reasons.

SPURS

51. The wearing of spurs in ALL classes held under B.S.P.S. Rules is forbidden. Spurs or dummy spurs must not be used when working in.

WHIPS

52. In ALL classes held under B.S.P.S. Rules whips are not to exceed 75cms (30ins). Hunting Crocs are permissible. This includes whips/sticks used by leaders in lead rein classes. Padded whips are recommended for WHP classes. A whip, if carried, must be held in the hand by the handle with the handle at the top.

At all times the whip must be used; For a good reason, as an aid to encourage the horse/pony forward. At an appropriate time, namely when the horse/pony is reluctant to go forward with the normal aids of seat and legs. In the right place, namely down the shoulder or behind the leg. Never over arm. With appropriate severity. No more than twice for any incident. Riders must not hit a horse/pony before the start of a jumping course.

Excessive use of a whip anywhere on a showground will result in disqualification of the horse and rider from any classes entered on that day.

This includes, but not limited to-

Use of the whip to vent a competitor's anger is always excessive.

Use of the whip which causes injury, e.g. broken skin or weal is always excessive.

Use after elimination or retirement is always excessive.

Use on the horse/pony's head and neck is always excessive.

Using a whip from the ground after a fall or dismount is always excessive.

If the rider's arm comes above the shoulder when using the whip this is always excessive.

From 2026, in WHP and WSP classes riders must only use a baton whip.
